Experience:

Eddie Bauer

Sr. Textile Designer / Seattle, WA / Jun 2010 - Present

1. Designed original prints, yarn dyes & graphics for men's & women's outdoor apparel; Distributed nationally at Eddie Bauer stores & internationally.
2. Quickly adapted to new customer profiles, work environment & variety of teams.
3. Assisted with vendor communications & reviewed strike offs.
4. Worked with Sr. Designers & Directors to create a more efficient way of creating & communicating with cross-functional teams.
5. Created font from Eddie Bauer's personal journals for company use.
6. Routinely solved technical, hardware & design issues.
7. Developed a mixed media technique & style library for graphics & prints.

Soma Intimates

Freelance CAD Designer / Ft. Myers, FL / Jan 2010 - April 2010

1. Designed prints & graphics for elegant women's intimate & apparel company; Distributed nationwide at the rapidly growing Soma Intimates & Chico's stores.
2. Collaborated with Designers & Directors to create products for sleep, lounge, active & intimates.
3. Contributed new ideas & improved systems; creating a more effective work place.

White House | Black Market

CAD & Graphic Designer / Ft. Myers, FL / May 2007 - Oct 2009

1. Created original prints & graphics for sophisticated women's apparel; Distributed nationwide at White House Black Market stores.
2. Designed numerous best selling prints.
3. Worked closely with Designers, Merchants & Directors to create brand appropriate products for dresses, tops, sweaters, denim & accessories.
4. Established a variety of new methods for cataloging resources, references & print libraries.
5. Collaborated with international teams daily.
6. Researched trends in New York & Miami. Attended seminars & print shows for direction.
7. Trained new Associates, Interns & Freelancers.

Carter's & OshKosh

Creative Artist / Atlanta, GA / Oct 2005 - May 2007

1. Designed graphics & prints for infant & toddler clothing company; Sold at Carter's stores, Target, Kohl's, Macy's, Walmart & JCPenney.
2. Worked directly with Designers, Production & Marketing.
3. Setup New York showroom with Marketing team for Buyers to review product for purchasing.
4. Developed repeat & scale templates, which increased productivity.
5. Introduced alternative techniques such as hand stitching, screen printing & various appliqués.
